GREETINGS FROM THE EAST

Hello Brothers,

By the time you are reading this we will have passed and raised a few new brothers in the month of March

Dinners have resumed and Bob Beffel put together a wonderful Past Master's degree. We have traveled with our candidates all over the valley and beyond to perform 1st degrees and we came together for a widows night and are now planning many more events to come.

The months preceding this one have not been kind with lockdowns and covid restrictions but as we move forward we are going to open up our lodge as much as we can. Masks, and temperature checks will slowly fade away, and we will all meet again on the level with confidence and strength.

Let the month of April be a warm reminder of good things to come and let us resume the work as Masons!

I will leave you with a poem about FM Emanuel Swedenbord.

'F.M. Emanuel Swedenborg' by Jorge Luis Borges

Walked among them, at a distance,

GREETINGS FROM THE WEST

"Before you are a leader, success is all about growing yourself. When you become a leader, success is all about growing others." — Jack Welch

Young Masons need to step-up!

It is true of all volunteer organizations that membership is a reflection of its leader(s). In other words, if a Lodge wants younger members it needs to have younger Masons in leadership positions.

Although many young Masons have stepped-up to enter "the line", most ritual is being performed by the same "seasoned" Masons. For years, and in some cases decades, the same Masons are performing the same ritual degree after degree, week after week, month after month, year after year.

Yes, we love the camaraderie, and yes, we love the charity Masonry provides, but if we want Masonry to continue to make good men better men, we need to start improving our ritual now. It takes only three men to open on a third degree, but it takes 15 men to perform a great second section of the degree. FIFTEEN!

The time has come for young Masons to become MORE involved in ritual.

If you love Masonry, care about its success, and have the available cable tow, here are ways you can help:

- Set a deadline to learn a new piece of ritual. Every task will take as long as its deadline.
- Find a "ritual buddy" who will learn a new part with you. Commit to studying each day and hold each other accountable.

Now and then calling the angels
 By their secret names. He would see
 That which earthly eyes do not see:
 The fierce geometry, the crystal
 Labyrinth of God and the sordid
 Milling of infernal delights.
 He knew that Glory and Hell too
 Are in your soul, with all their myths;
 He knew, like the Greek, that the days
 Of time are Eternity's mirrors.
 In unadorned Latin he went on listing
 The unconditional Last Things."

If you are a veteran ritualist – FIND A YOUNGER BROTHER and encourage him to learn ritual. Be his coach!

They say, "you get out of Masonry what you put into it." Taking part in ritual is unequivocally the best way to get more out of Masonry. There are more than 28 parts of ritual you can perform WITHOUT being an installed officer. Some have long parts while others have short parts. Start with the Apron, or start with a degree lecture, just get started learning ritual. Don't get started learning new ritual because we need you to (we do need you to), get started learning ritual because you want the most out of yourself.

Remember, we came to learn how to subdue our passions and improve ourselves in Masonry. **Ask an elected officer how you can be more involved today.**

Are you up to the challenge?
 Masonry is counting on you...

Tim Scarpino
Senior Warden

From the South

Brethren,

As we start returning to lodge, and approach a new sense of normalcy, take a moment to reflect on your early days of becoming a Mason. Some might have a harder time with this than others, but it is still fresh for me. I remember when I joined our friend of friend program that each Thursday couldn't come fast enough. I was always looking to seeing the same guys every week, and continue to form stronger bonds with men of whom I would soon call my Brothers. Ever since I stopped playing hockey semi professionally, I missed that bond of "being around the guys" Freemasonry has since then filled that void, and I am glad to have that back in my life. I then realized that Freemasonry has a lifetime's worth of knowledge that can be explored unto you. You just have to dig.

Being away from the lodge for a year really helped me realize what a huge impact The Craft has had on me. Sometimes we forget what really brought us to the lodge. We get caught up in our own distractions. Our professions consume our daily lives, and things start to become a chore. Always remember the First Degree Working Tools and apply them to your daily lives. It has helped me tremendously.

Fraternally,
Shawn Hunter
Junior Warden

FROM EASTERN STAR.....

Scottsdale #43 Eastern Star will begin their stated meetings as of April 12th. It will be so nice to see our sisters and brothers that we haven't seen for a year. Please check your personal emails for further instructions from our current Worthy Matron, Diana Hutchinson. Also, are you current with your dues?

We have 2 candidates who wish to become our members. Isn't that great? What a wonderful way to start our new year (even if it is almost over) !

Hope that you have a blessed Easter and Passover.

Fraternally,
Janet Mielke, PM
Scottsdale #43,
Order of the Eastern Star

From the Organist

FREEDOM

Freedom is not a heartfelt trait. It has been fought for, practiced, loved, and protected. Passed on to the children, taught, and well explained. It is then passed on as the treasure we know it to be.

Freedom may be passed on to new generations, it may be acquired, but never recovered if once lost. It must be seen as a conscious and a priceless asset, relying on our consciousness of necessity. Freedom doesn't exist in doses, which vary in strength and quality. There is nothing akin to a little bit of freedom, only being free or not. It cannot operate in pieces here and there, like a cleared field with an acreage partly missing.

Behold a popular expression, that freedom is not free. It must be guarded like Fort Knox gold times ten.

**Fraternally,
Dave Woodland, PM
Organist**

Arizona Grand Lodge Website

In an ongoing effort to keep in touch with the Masons of Arizona, the Social Media Committee of the Grand Lodge of Arizona has launched an online Social Media monthly newsletter to recap some of the items each month that are trending around the State.

We hope that it will encourage communication and share knowledge around the State while also giving another outlet to the activities of our many Lodges in Arizona. As is the case with Social Media, we intend for it to be enjoyable and informative and hope that it will grow and adapt to the needs and wants of our Craft as it progresses.

LODGE OFFICE HOURS

Regular Office Hours for the Secretary:

Monday 5PM-7PM

Thursday 5PM-7PM

**Sunday 6:30-9AM,
10:45-12 Noon**

As a reminder for meetings, you must follow the lodge protocols for COVID-19.

Do you know why we have these protocols? In addition to helping to keep everyone safe, we need to maintain a way to “contact trace” anyone who visits the lodge. If we learn that a visitor later tested positive for COVID-19, we need to be able to trace contacts to inform them of their possible exposure. This will help protect them and their family members in just such an occurrence.

REMINDER! Interested in attending lodge in-person or any other scheduled meeting or program? You must pre-register with the Secretary. You will be required to wear a mask and to practice social distancing.

Questions? Contact the Secretary.

IF YOU PLAN TO ATTEND, YOU SHOULD ARRIVE EARLY ENOUGH TO GIVE YOURSELF TIME TO SIGN THE WAIVER (OR THE ATTESTATION SHEET IF YOU HAVE SIGNED A WAIVER), TYLER'S REGISTER, AND REVIEW THE PROTOCOLS AND SETUP.

Lodge Date Night:

Grab your better half for a fun Date Night Saturday, April 10 at 6 PM. Dinner includes grilled steak, salmon, or rotisserie chicken, garlic mashed potatoes, corn on the cob, asparagus, and a side salad, dessert, and soft drinks. Yes that means Pepsi, Bob!

RSVP REQUIRED: Because of COVID protocol we must enforce a strict RSVP policy.

Indoor and outdoor seating options are available to maximize social distancing.

What: Date Night includes dinner and games

When: Saturday, April 10, 6 – 8 PM

WHAT DOES IT MEAN TO BE A FREEMASON?

A few lodge members have raised the question of dues reductions, discounts, or refunds of dues due to COVID-19. The belief is that because we have not been meeting in person, that they as individuals should get a refund or discount.

Individuals have been asking other questions: Do we get a rent discount? Do we get a discount because there is no festive board? Why should we pay Grand Lodge assessments?

It looks like brethren have not been educated on what it means to be a Freemason. Grand Lodge and our lodges remit dues for members who have financial hardship. We always have. But most relief requests are now coming from people who do not need relief. They just believe that because we are not meeting and have no festive board that this should translate into discounted dues.

Freemasonry is not a gym membership, where you can cancel it because you don't attend. Freemasonry is an idea, a philosophy; it is symbolic messaging. You pay your dues not to receive, but to learn and to give. Once you learn our lessons, you know that giving is your part in making the world a better place through your actions

within society—bringing a little light into the world. This is what you are paying for. You are paying to be associated with the values of our Craft. The fact that members ask for discounts or refunds, and balk at increases in dues, clearly identifies that lodges have not done their job in educating their membership about what it means to say, "I am a Freemason."

Over the last year, airlines and hotels have been giving refunds. This is reasonable, as a service was not provided after payment was made. Freemasonry does not fall into this category. If you believe this, you should take a demit. Don't worry, Freemasonry will survive without your dues. But the shadow of darkness in the world will be a little longer.

The annual dues for most professional associations run from approximately \$800 to \$2,500. In fact, if you're an engineer, plumber, electrician, or belong to any union, you are paying annual dues for that profession. Your profession is Freemasonry. That is what you are paying your dues for. Dues are how lodges have revenues to build and maintain lodge halls, pay rents, and pay to build the lodge for the future.

Believing that the lodge, or Grand Lodge, owes you a refund reduces Freemasonry to the level of a product or service available for purchase. The dues are not viewed as the fee of membership, but the cost to enjoy a meal and a few laughs with friends a couple of times a month. That's all. If they can't meet and eat with their friends, then they want their money back! This displays a profound ignorance of Freemasonry.

We are not something that provides a service that can be turned on and off by the payment or refund of dues. We do not promise that everyone who joins us will benefit from our teachings. We promise only that the lessons will be offered.

WANTED...RETIRED BROTHERS

We need retired brothers who would be willing to serve on the Celestial Journey Team (Funeral Team). We don't have too many funerals throughout the year normally. Sometimes there is not a lot of notice (a few days) and right now most of our list is comprised of working brothers who can't respond that quickly. Usually, the funerals only take an hour or less. Please consider dedicating your efforts to your departed brothers by serving on the Celestial Journey Team. Email Brother Steve Clarke eispro@leaders-view.com with your email address and phone number. Call him with questions at 480-946-5390. Thank you!

HELP FOR OR HEROS IS STILL NEEDED

Many brothers of Scottsdale Lodge have donated money to Chhaya Tan's "Donut Parlor" for donuts that we distribute to healthcare and first responders. Last week the last fifteen dozen donuts were delivered to healthcare workers. Donations from our brothers have stopped for the past month. Many of us have made sizable donations over the past six months to the point where we are "tapped out." If any of our approximately 383 brothers can donate it will be great, otherwise, the program to keep the spirits alive with our healthcare and first responders will need to stop. Please consider if you can help out with a donation. All you need to do is call Chhaya at [\(480\) 570-1900](tel:4805701900) and tell him how much you'd like to donate. As Masons and Brothers of Scottsdale 43, let's do what we can to keep this charitable effort alive for people who really deserve it!
