Years of Masonic Light

From the East

Brethren,

As we gather this June, our focus turns to one of the most enduring and essential themes in Masonry: **the lessons of brotherhood**. In a world that often feels divided, the teachings of our Craft-rooted in unity, compassion, and mutual support-remain as relevant as ever.

At Scottsdale Lodge 43, we are guided by the timeless tenets of Brotherly Love, Relief, and Truth. These are not mere words but living principles that shape our conduct within the Lodge and beyond. Brotherly Love is the mortar with which our fraternity is cemented. We are taught to treat one another with kindness, compassion, and understanding, regardless of background or beliefs. This spirit of genuine fellowship is what transforms a group of men into a true

Masonic Light Shone Bright

On May 3, 2025 the Lodge celebrated its 75th Anniversary with a picnic in the lodge building complete with large ants (not real). The many Brothers and Sisters who brought this all together did an outstanding job and service to Scottsdale Lodge that cannot be thanked enough.

We all ate fried chicken, macaroni and cheese, burgers, Coleslaw, sausages, pies, a celebratory cake and much more. Plus our Lodge cooks prepared all of it from scratch.

The dining room and lobby were decorated with photos and memorabilia from throughout our 75 years. Truly, a day to remember.

Fraternally,

Fred LaBell 32°, Trestleboard Editor

From the West

Greetings from the West,

I am writing this article as I am just beginning my adventure in Spain to walk the Camino Primitivo with my father and a couple of his oldest and closest friends. While waiting for my flight to board in Phoenix Sky Harbor, I encountered another travelling man, and not just any traveling man, but our very own Brother

The Lessons of Brotherhood, Refreshment, and Repose

In the bonds of true brotherhood, Freemasonry teaches that unity and support among brethren form the foundation of personal and collective growth. Brotherhood is not merely companionship—it is a sacred trust rooted in shared values, mutual respect, and a commitment to uphold one another in times of need. Through the symbolic working

brotherhood.

The lessons of brotherhood are not confined to ritualthey are lived out in our actions:

- Edification: We uplift and recognize one another's contributions, fostering a culture where every Brother feels valued. Regular acts of edification strengthen our unity and encourage all to embody the virtues of our Craft.
- Support in Daily Life: True Masonic brotherhood extends beyond times of crisis. We strive to be pillars of support for each other in all circumstances, lightening burdens and offering words of encouragement, not just financial aid.
- Inclusivity and Diversity: Our Lodge welcomes men from all walks of life, respecting the unique perspectives each member brings. This diversity enriches our collective experience and deepens our understanding of brotherhood.

Community Involvement: The principle of Relief calls us to charitable action, both within our Lodge and in the wider community. By helping those in need, we put our values into practice and make a tangible difference.

Freemasonry's teachings have endured for centuries because they address universal human needs: belonging, purpose, and moral guidance. In today's fast -paced, often isolating world, the bonds of brotherhood provide a vital source of support and connection. Our Lodge is a place where men can learn, grow, and find meaning through service and fellowship.

Let us continue to cultivate these lessons in all we dowithin our meetings, in our outreach, and in our daily lives. I encourage each of you to:

- Seek opportunities to uplift and support your Brothers.
- Participate in Lodge activities, volunteer opportunities, and educational programs.

Reflect on how the principles of brotherhood can guide your actions, both in and out of the Lodge.

Together, we can ensure that the lessons of brotherhood remain a living force in Scottsdale Lodge 43, shaping not only our fraternity but the world around us.

Fraternally,
David Earney

Junior Deacon, Bill Alavarez. What a wonderful way for my journey to commence, and what a great feeling it is to greet another traveling Brother of our fraternity, especially when it is a brother and fellow officer from Scottsdale #43. A pleasant, and hopefully auspicious, surprise indeed.

These excellent encounters of our Brotherhood are a rare privilege and one of the highest benefits of this Masonic path we walk together, and meeting Brother Bill on this path caused me to reflect on the last Brother I met while traveling. Two and half years ago, while walking my first Camino in Spain with my dad, an older man in his 80's approached me on the road and introduced himself to be a brother. He said he noticed the patch on my backpack and was excited to see another brother on the Camino. WB Bob, past master from South Carolina, was on his fourth camino in three years - an outstanding feat for any person, especially a man in his 80's! Our meeting was the first Masonic encounter he had on the Camino during his three years of walking. We were both elated and honored to share the experience and spent the rest of the entire day walking 15 miles together in fraternal bliss. WB Bob shared with me his life's story and his Masonic journey of over 50 years. He enlightened my Masonic path with his wisdom, humor, advice, and inspiring mobility for his age. Meeting WB Bob and walking the path to Santiago de Compostela with him has been one highlights of my Masonic journey thus far, and a grand hornor for which I will always be grateful.

As I start this Camino with meeting Brother Bill at the airport, I am excited to see where this adventure takes me and if I should be so lucky to meet another traveling man on the long and winding road. May we all be blessed with more encounters with fellow Brothers as we walk on our journeys. I will miss you all and look forward to being back at lodge in June. Happy summer brothers!

tools and allegories of the Craft, Masons are reminded that the Lodge is a sanctuary where each man is equal and every voice is heard. In this fraternity, the lesson is clear: we are stronger together, and the burdens of life are made lighter when carried in harmony with our brothers.

Refreshment and repose are equally vital components in the journey of a Mason. Just as labor is essential to the building of character and community, so too is rest necessary for the renewal of spirit. In the Lodge, moments of refreshment symbolize more than a physical pause—they represent a deeper call to reflect, to restore inner balance, and to seek light anew. Whether through quiet contemplation, fellowship with brethren, or simply stepping back from daily trials, these pauses grant the Mason clarity and strength for the work that lies ahead.

Together, these principles teach a rhythm of life that balances duty with renewal. The Mason learns that by embracing brotherhood, he is never alone; by valuing refreshment and repose, he guards against burnout and maintains his inner light. These timeless lessons guide us not only within the Lodge but also in the wider world, encouraging each Brother to live with purpose, compassion, and mindfulness. Through them, the Craft offers a path of harmony—where every season of labor is followed by rest, and every act of service is strengthened by the bonds of fraternal love.

75th Anniversary Celebration Picnic Recap!

What an incredible day for Scottsdale Lodge! Our 75th Anniversary Celebration was a resounding success, with approximately 100 attendees filling the Lodge with energy, fellowship, and pride in our shared history. We were truly honored by the presence of the Grand Master Michael A. Dale, Deputy Grand Master Leigh Creighton, and three Past Grand Masters, as well as members from Oriental Lodge 20, White Mountain Lodge 3, Arizona Lodge 2, El-Zaribah Shrine, Order of the Eastern Star, Amaranth, Scottish Rite Valley of Phoenix and Scottsdale York Rite. The turnout was a testament to the strong bonds and enduring friendships that define our Masonic family.

The event itself was filled with laughter, meaningful conversations, and a wonderful sense of unity. The decorations and atmosphere were simply beautiful, creating the perfect backdrop for such a milestone occasion. I want to extend a very special and heartfelt thank you to my wife, Christy Connelly, and my dear friend, Kerri Baumann, for their tireless efforts in decorating and preparing for the luncheon. Their creativity, dedication, and attention to detail ("What is a picnic without ants?") made the celebration truly memorable for everyone who attended.

Thank you to all who joined us and helped make this anniversary one that will be remembered for years to come. It was a privilege to celebrate our Lodge's rich legacy with so many distinguished guests and cherished friends. Here's to many more years of brotherhood, service, and shared success!

Kinishba Court #6

Kinishba Court had an excellent time at Grand Court May 8-10. Our own Honored Lady Karen Machamer finished an excellent session as Grand Royal Matron. And then, our own Honored Lady Alicia Dela Cruz and Sir Knight Rady Dela Cruz were installed as Grand Royal Matron and Grand Royal Patron. We are excited to "Ignite the Light" with them this year as they lead all of Arizona Amaranth this year. We had many members installed as Grand Officers and we look forward to watching them in their work this year.

We are really excited to be hosting the Supreme Council Order of the Amaranth Inc. in July in Glendale Arizona July 6-10th, 2025 where our own Honored Lady Elizabeth "Bizzy" Herbolsheimer will finish her year as Supreme Royal Matron.

Everyone is invited to the informal opening of the Supreme Council at the Marriott Renaissance Glendale Hotel and Spa (by the Cardinals stadium) at 6:30 pm on July 6th to witness the opening ceremonies (they are open to the public). We hope that many of you may be able to attend and support Honored Lady Bizzy as she starts her session.

We hope that everyone has a wonderful and safe summer!

CELESTIAL JOURNEY TEAM

Roll Of The Workmen

The roll of the workmen has been called, and a Master Mason has not answered to his name. He has laid down the working tools of the Craft and with them he has left that mortal part for which he no longer has use. His labors here have taught him to divest his heart and conscience of the vices and superfluities of life, thereby fitting his mind as a living stone for that spiritual building – that house not made with hands, eternal in the heavens. Strengthened in his labors here by faith in the Supreme Being, and confident of expectation of immortality, he has sought admission to the Celestial Lodge above.
